Budget Proposal Maintains All Programs *While Remaining Below the “Tax Cap”*

Dear Syosset Community:

The Board of Education and Central Administration have worked diligently to develop a budget for the 2024-2025 school year that reflects the core values and institutional mission of our District. It sustains our excellent programs and supports for our students, invests in necessary facilities maintenance, and is fiscally responsible.

Despite the continuing challenge of rising costs, for the 12th year in a row, Syosset has created a budget with tax increases below the state-allowed limit. **This budget includes a property tax levy increase of 3.16%, which is approximately \$145,095 below the cap.** The proposed budget is balanced, and does not compromise our educational programs despite continued inflation, state budget uncertainty, a spike in state-regulated health insurance, and pension costs beyond our control.

The budget continues our commitment to the health and wellness of our students by maintaining a social worker in every school building. It also maintains our newly established Northwell Health Partnership, which provides our students with additional mental wellness supports both inside and outside of school. This budget will allow us to complete important facilities projects, including Districtwide electrical upgrades, roofing repairs, and paving that are necessary to maintain our aging facilities, and protect the health and safety of our students and staff. It also allows for the expansion of classroom space at South Woods to accommodate enrollment growth.

New York State has preserved our funding for the Universal Prekindergarten (UPK) program, which has allowed us to offer a seat to every interested student. We’ve also expanded our secondary course offerings in Chinese World Language, and added a high-tech Pre-Medical Anatomy and Physiology class to our high school course book. Our two newest sports teams, Challenger Bowling and Challenger Track & Field, provide inclusive opportunities for all students to be a part of the welcoming environment that is fundamental to the Syosset District.

The annual vote will be held on **Tuesday, May 21st**. The Board’s facilities proposal will not be on the ballot. We encourage you to attend the public budget hearing on May 13th at South Woods Middle School beginning at 8:00pm to learn more about the budget and what it includes. In addition to the budget, residents will have the opportunity to vote for three candidates for the Board of Education.

Thank you for your continued partnership with our District and the exceptional educational experience it provides for our students.

FAQ

Q: What is the estimated tax levy increase of the proposed budget?

A: The proposed budget would increase the school tax levy by 3.16%. This is below the state-mandated tax cap set at 3.23%. The total proposed budget of \$285,744,550 carries a budget-to-budget increase of 4.07% for the 2024-25 school year.

Q: What does the 2024-25 budget support?

A: The proposed budget preserves all current academic offerings, as well as all extracurricular and co-curricular programs. It also includes classroom space expansion at South Woods Middle School and facilities maintenance work districtwide.

Q: What happens if the budget is defeated?

A: If the budget is defeated on May 21st, the District will be faced with three options. The Board could choose to submit the same budget for a revote, submit a revised version of the defeated budget, or adopt a contingency budget. If a proposed budget is defeated twice, a contingency budget must be adopted, and state law would mandate that the District revert to a 0% tax levy increase for the 2024-25 year. That would require the District to make approximately \$7 million in reductions to the proposed budget.

Voting Information

The annual budget vote and election of Board of Education trustees will be held on **Tuesday, May 21 from 6am to 9pm** at Robbins Lane Elementary School, H.B.
