Dear Baylis Parents and/or Guardians:

I hope everyone is enjoying the last few days of summer vacation. We are in full swing getting ready to welcome our students on Tuesday, September 3rd and are very excited about it. The building is sparkly clean and spectacular due to our custodial team's hard work! In addition, Baylis teachers are eager to greet your children on day 1 as they are getting their classrooms ready.

[Click here](#) for our Baylis FAQ document which includes important beginning of the school year information and protocols. The FAQ document contains links to additional detailed information if you wish to read more about a particular topic.

I am lifting the most important information out of this FAQ document, which is the date you can view your child's classroom teacher's name in the Parent Portal. It will be on **Wednesday, August 28th after 12:00 pm.** Please be patient with the portal that day if you are unable to access this information immediately since many parents will be trying to enter the system at the same time.

I am looking forward to a wonderful year. Thank you for your support and cooperation.

If you have any questions, please contact our Main Office at 516-364-5798.

Sincerely,

Clara Y. Kang
Principal
